

# Spud Academy

Full time distance learning regardless of district designated model

## Spud Academy Overview:

Students in grades K-12 will complete lessons in a virtual environment, engaging with teachers and other support staff each day via synchronous (two-way, real-time/live) and asynchronous (scheduled by each user individually to meet needs). Students will use digital tools and available applications utilizing a district-provided Chromebook.

## Why choose Spud Academy?

- Students are provided a school issued Chromebook.
- Students remain enrolled in Spud Academy instead of District designated model for a semester.
- Dedicated teachers and consistent learning groups.
- Daily, online interaction with teacher and peers.
- Structured daily class schedule.
- Daily attendance and participation required.
- Academic rigor equal to in-person learning.
- Meet all grade level standards and MN graduation standards.
- Depending on student(s) age, will require parent attention.
