I. PURPOSE

The purpose of MAPS School Board Committees Appointment Procedure is to provide structure for appointment to committees or subcommittees of the School Board, and guidance for School Board members appointed to other councils, committees, and local/state/national organizations.

II. GENERAL STATEMENT

Unless otherwise specified, board members will be assigned or appointed to committees or boards by the board chair in consultation with the board.

1. Appointment to a committee should take into consideration, but not limited to, the following:

- a. equitable distribution of committee assignments among board members;
- b. expressed interests of board members;
- c. a board member's training, education, and/or experience with the purpose of the committee;
- d. continuity of service and historical knowledge;
- e. availability for meetings;
- f. the need for diversity;
- g. the needs of the board; and
- h. the proven ability to work effectively in a committee environment.

2. Action taken by a Board liaison shall not obligate the School Board.

3. A School Board liaison, when appropriate, shall clarify that his/her powers are only advisory, and any binding action must be voted upon by the full School Board.
