The following criteria should be utilized to examine and evaluate offers of gifts to the district. The gift(s):

1. Has a purpose consistent with the mission, vision, and goals of the school district;
2. Will not add to staff workload;
3. Must be sustainable after the gift or grant funds are exhausted;
4. Does not bring undesirable or hidden costs to the school system or cause unreasonable inequity;
5. Does not restrict a school program;
6. Is not inappropriate for students or harmful to the learning process;
7. Does not imply business or product endorsements but may recognize by name the donor's contribution; and
8. Does not conflict with any provision of school district policy or public law.
